

The image shows two side-by-side screenshots of a mobile app's sign-up process. Both screens have a status bar at the top showing '10:59 AM' and various icons. The left screen is titled 'Get Started' and has a 'Country' dropdown set to the United States. Below it is a 'Your Phone Number' field with the text '+1 (201) 555-0123'. A note below the field says 'We'll send you a text message with a six (6) digit code to verify your device'. At the bottom, there's a link 'Or login with Email' and a blue 'NEXT' button. The right screen is also titled 'Get Started' and has a 'Your Email Address' field. A note below the field says 'We'll send you an email with a six (6) digit code to verify your device'. At the bottom, there's a link 'Or login with Phone' and a blue 'NEXT' button. Below the two screens is a black bar with three white navigation icons: a back arrow, a home circle, and a recent apps square.

Upon logging into the Passport Parking app for the first time, you'll be prompted to sign up using either your phone number or email address.

The image shows a mobile app screen titled 'Enter Code'. At the top, there's a back arrow and a status bar showing '11:00 AM'. Below the title, there's a text prompt: 'Enter the six (6) digit code that was sent to: mike.mclaughlin+mobile@passportinc.com'. Below this is a row of six empty circles for entering the code. A link 'DIDN'T RECEIVE THE EMAIL?' is positioned below the circles. At the bottom, there's a blue 'VERIFY' button. Below the button is a numeric keypad with digits 1-9, 0, a comma, a period, and a checkmark button. The keypad also includes minus, left arrow, and right arrow symbols. At the very bottom is a black bar with three white navigation icons: a back arrow, a home circle, and a recent apps square.

Once you enter an email or phone number, you'll receive a six-digit code to verify your contact method. Enter the code and tap 'Verify' to proceed.

This screen allows you to begin your parking session.
Click on New Session.

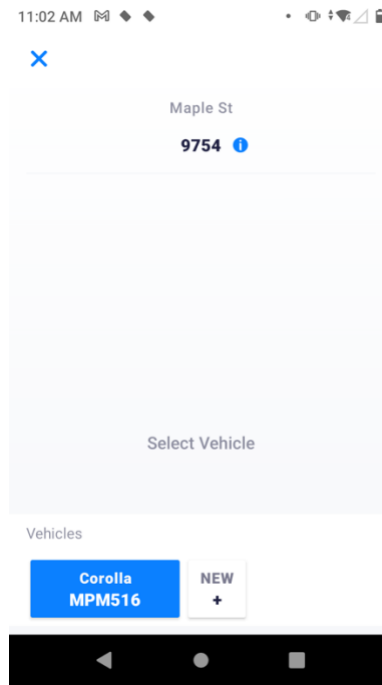

Enter the zone number corresponding to your location and click on 'Search for Zone'.
Zone numbers can be found on nearby signage.

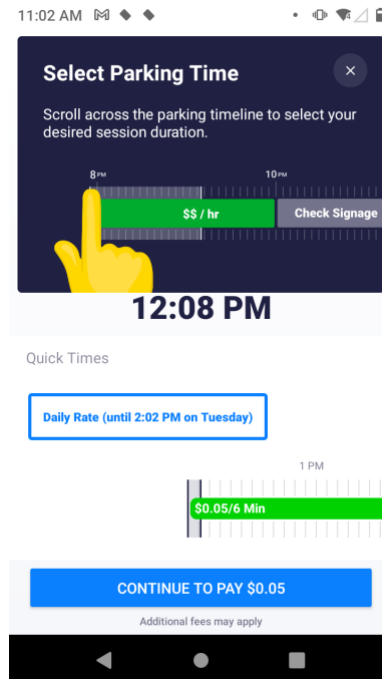

Once you've entered a valid Sault Ste. Marie parking zone number, the name of the zone will appear. In this example, I'd like to park in zone 9754, which corresponds to Maple Street. Tap on 'NEW' at the bottom of the screen to add your vehicle.

Fill in the information of the vehicle that will be parking and tap 'Save'.

Once you've added a vehicle, it will be available as an option in blue. These vehicles will remain associated with your account. Tap on the vehicle that's parking to continue.

Next, select how long you'd like your parking session to be valid for. Once finalized, tap on the blue button to proceed.
