

Freedom of Information

It is the policy of the City of Sault Ste Marie that all persons, except those incarcerated, consistent with the Michigan Freedom of Information Act (FOIA), are entitled to full and complete information regarding the affairs of government and the official acts of those who represent them as public officials and employees. The people shall be informed so that they fully participate in the democratic process. The City's policy with respect to FOIA requests is to comply with State law in all respects and to respond to FOIA requests in a consistent, fair, and even-handed manner regardless of who makes such a request.

The City acknowledges that it has a legal obligation to disclose all non exempt public records in its possession pursuant to a FOIA request. The City acknowledges that sometimes it is necessary to invoke the exemptions identified under FOIA in order to ensure the effective operation of government and to protect the privacy of individuals.

The City of Sault Ste Marie will protect the public's interest in disclosure, while balancing the requirement to withhold or redact portions of certain records. The City's policy is to disclose public records consistent with and in compliance with State law. The City Commission has established written procedures and guidelines to implement the FOIA and will create a written public summary of the specific procedures and guidelines relevant to the general public regarding how to submit written requests to the public body and explaining how to understand a public body's written responses, deposit requirements, fee calculations, and avenues for challenge and appeal. The written public summary will be written in a manner so as to be easily understood by the general public.
