## HOME-BASED BUSINESS PERMIT APPLICATION

### PAGE # 2

What are of your home, garage, and/or shed will be used for this business? Include both the location and size (or square foot area) involved. Example answers: 200 sq.ft. of basement, 15'x20' recreation room on first floor, etc.

---

---

---

Any employees other than yourself? Example answers: myself, wife and two children, or myself only, or myself and one paid employee who does not reside in the home.

---

---

---

If business will involve an employee who does not reside in the dwelling, or involves customers coming to site, describe where parking will be provided.

---

---

---

If business will involve customers coming to site, describe hours of operation, being those hours when clients, students, or customers, shall be accommodated by appointment.

---

---

---

If any physical alterations or changes to the structure are proposed, please describe them.
